Clerk Smith,

General Mike Flynn walks free and Reality Winner rots in jail. Reality Winner is a hero and General Mike Flynn is a traitor.

It is critical that the Twelfth (12) Amicus be docketed. I mailed you the original on June 4<sup>th</sup>, 2020. You docketed Amicus Briefs 8, 9, 10, 11, 14, 15 and 16 in 4 docket entries but no 12. (There was no 13.)

Twelfth Amicus – The 2016 Presidential Election was tampered with by Trump and the Russians - God will not leave me alone.

I put the documents together under a pleading titled: Emergency Motion for Leave to File

Godspeed

Sincerely,

Plaintiff – Appellee

v.

Reality Winner

Defendant - Appellant

No. 20-11692

(Case: 1:17-ooo34-JRH-BKE)

Emergency Motion for Leave to File an Open Letter to Chief Judge William Pryor Jr.

The last page of the letter is the docket in the Stone case that is before Judge Jackson.

What the DOJ has done should be more then enough to release Reality Winner. The train has left the station.

Godspeed

Sincerely,

11<sup>th</sup> Circuit

Chief Judge Pryor,

Reference: United States v. Stone (1:19-cr-00018) District Court, District of Columbia Judge A. Jackson  
Federal Court - 333 Constitution Ave. N.W. - Washington D.C. 20001

Attached is the docket for June 2020 in the Stone case. #380 is my Twelfth Amicus Brief. Why would Judge Jackson put it in the docket and then deny it? Read the docket entries completely. The docket entries apply in reverse to Reality Winner. The 11<sup>th</sup> Circuit should order responses as to why Reality Winner is being held when others have been released. Trump's friends: Cohen and Manafort have both been released.

I am a friend of the court. Ask Judge Jackson about me. She learns from my pleadings. Her problem is that this case is criminal and there is no avenue for me to be heard. You court can allow me to be heard.

Stone is one of the most reprehensible people in politics and has been since Nixon, who he was friends with and an advisor. The DOJ allows him to stay out of jail but keeps Reality Winner in jail. The greatest ethical, political, and legal transgression of my lifetime was when Ford pardoned Nixon.

The DOJ is discriminating against Reality Winner. Keeping her in prison is prejudicial and arbitrary.

DON'T ALLOW THE DOJ TO HARM AN AMERICAN HERO, PLEASE.

I BEG YOU TO RELEASE HER.

Godspeed

Sincerely,

David Andrew Christenson

Twelfth Amicus – The 2016 Presidential Election was tampered with by Trump and the Russians - God  
will not leave me alone.

MY COUNTRY NEEDS ME SO PLEASE LET ME INTERVENE.

THE COVER UP HAS TO STOP.

BOTH TRUMP AND BIDEN HAVE TO GO.

CHANGE THE NARRATIVE.

This morning God pointed out to me that my cousin, Vice Admiral John Christenson – Military Representative to NATO, was involved in the unmasking of Lieutenant General Mike Flynn. John and I have not spoken in years because I think he is a treasonous coward.

Senator Chuck Grassley really screwed me. He is from my home state of Iowa and I was the reason he left the Judiciary Committee.

The Director of National Intelligence knew on election day, November 8<sup>th</sup> 2016, that Trump and Russian tampered with the Election. General Nakasone's letter starts with November 8<sup>th</sup> 2016 but no one requested until November 30<sup>th</sup>, 2016. Almost everyone requested starting on December 14<sup>th</sup>, 2016 so what the hell happened? UN Ambassador Samantha Power made two requests on December 14<sup>th</sup>, 2016.

What did Flynn do? Why did Judge Sullivan asked Mueller's team if they had considered charging Flynn with "Treason"?

My God. Flynn thanked Russia for Trump being elected.

My attachments are all docketed. They are incoherent and disjointed, sorry.

Every Presidential Election in my lifetime (b. 1958) has been tampered with by Americans, but 2016 and 2020 were and are different. Every Presidential election in my lifetime has been tampered with by the Russians. All the criminals – politicians, judges, journalists, etc. – are upset at how far over the line Trump went. Trump teamed up with the Russians to tamper with the elections. Why not? You had Americans tampering with the elections and you had the Russians tampering with the elections, why not have the Americans and Russians team up to tamper with the elections?

The CIA/NSA criminally/illegally/inadvertently acquired ill-gotten evidence (poisoned fruit from a poisoned tree) that Presidential Candidate Trump and President Trump was and is tampering with the elections. This was different in that Trump was conspiring with other Foreign Powers. Everybody – Executive, Judicial, Legislative branches and the media ended up knowing. Everyone was in possession of stolen property and thus guilty of multiple crimes. The CIA/NSA notified the DOJ/FBI with multiple caveats. You see the problem/dilemma, right? Our government is criminally/illegally/inadvertently spying on a Presidential Candidate and a President that committed major criminal acts including tampering with Presidential Elections. The conspiracy involved Foreign Powers, one of which that has an adversarial relationship with the US. (You can't indict a sitting President, right? If Trump had lost, he would have been indicted.) (If Trump is impeached will he be indicted?)

This is the perfect intersection for all the evils to come together and destroy themselves. Trump, Roberts, Pelosi, McCarthy, McConnell, Schumer, the other Demigods will ensure that the truth comes out. *"An Epic Constitutional Crisis. I am talking about the political destruction of all three branches (Executive, Judicial and Legislative) of our Federal Government."*

All the criminal activity by all of you criminals had the opposite effect and got criminal Trump elected.

The first caveat is that the DOJ/FBI has to acquire the ill-gotten evidence through legal sources and avenues. The first step was to get multiple warrants from the FISA/FISCR courts. This criminally activity

implicated the FISA/FISCR courts in the conspiracy hence the order to fix the application process. The warrants should have never been given nor applied for. No one would ever question the warrants, right? Wrong, someone did. The applications were defective and the DOJ/FBI knew that they were and so did the courts. There are more defective applications and defective warrants that have not been made public.

This part is really condensed. The DOJ/FBI made the decision to notify Congress and the Media just as the CIA/NSA had done with them. This may have been done with good intentions but nonetheless it was done by criminals in possession of ill-gotten property. (Every rat will protect himself.)

The Octagon Death Match (Impeachment) – Republicans versus Democrats, Congress versus the Executive Branch, etc. – The Media is trying to make as much money as they can and to protect their criminal activity - and the losers are the American People and Mankind.

- There would be no Impeachment and no Octagon Death Match if the Judiciary had honored the Constitution and done their job.

### **Federal Whistleblowers – all military - Snowden, Manning, Winner and Christenson all served their country with distinction.**

Please review Christenson v. Democratic National Committee (1:18-cv-05769) District Court, S.D. New York if you want to see injustice. Review what is publicly docketed. Most of my pleadings were not publicly docketed in accordance with the Constitution. This case represents the true evil that is so pervasive in the Federal Judiciary. The really strange part of the case is that the Judge had remorse and continue to docket my pleadings after she dismissed the complaint. UNITED STATES COURT OF APPEALS

Committee on the Judiciary and United  
States House of Representatives,  
Appellees

v.  
David Andrew Christenson,  
Appellant

Notice 67 – Every Judge is just as crazy and delusional as Trump and just as much a criminal.

Is the following true?

In 2016 did the CIA and the FBI know that Trump was crazy, delusional and a criminal? Yes.

In 2016 did the CIA and the FBI know that Trump was conspiring with the Russians to secure his Presidential Election Victory? Yes. (They also knew that Clinton was crazy, delusional and a criminal but just not as bad as Trump. The least of two evils.)

The CIA could not disclose the truth about Trump and the Russians without breaking the law and disclosing highly classified information. National Security was too important. The FBI tried. (This is why no one in the DOJ/FBI will be charged with a crime. It is also why McCabe and Strzok have been so brazen in filing civil complaints against the DOJ/FBI. It is why Comey thinks he deserves an apology.)

The extraction of the CIA Agent from Russia is amazing. (The truth will come out.)

The following is true.

The courts have protected the criminal conduct of our Government with the conclusion being the Genocide of Mankind.

Trump, math, time, the other Demigods, etc. will ensure that the truth comes out. That truth will incriminate the Federal Judiciary in the Genocide of Mankind.

The CIA and the FBI knew that Trump would disclose highly sensitive classified information for his own good and protection.

**THE PARADOX AND WHY I AM HERE**

**BLACKMAIL AND EXTORTION WITH AMERICANS AND MANKIND PAYING THE PRICE**

**YOUR ARE THE PERFECT SUNARCISSIST, YOU HAVE CHOSEN SUICIDE OVER HONOR**

All of you, all three branches of our government, participated in the coverup of the negligent release of the Katrina Virus and the murdering of Americans by the US Military during Hurricane Katrina. You covered up the Genocide of Mankind.

You, the criminals, are making a case that you can only be so much of a criminal and that in most cases you're being a criminal is for the greater good. The problem is Trump. He turned being a criminal into becoming the President and you helped. You reap what you sow.

**IN ORDER TO STOP TRUMP, YOU WILL HAVE TO KILL HIM OR ADMIT THAT YOU ARE RESPONSIBLE FOR THE GENOCIDE OF MANKIND – THAT IS THE PARADOX**

- What happened to the Judiciary was insidious. It has happened to every civilization. It is why every civilization has failed.

**GOD IS GIVING YOU A CHANCE TO SERVE YOUR PENANCE HERE ON EARTH JUST LIKE ME.**

Attachment 1: Notice 65 — “Nuke the Hurricanes” by President Donald Trump page 1 only

Food for thought. Did our government turn Hurricane Dorian? Trump stated it was going to Alabama and has not backed down. Why? We know he is protecting and benefiting himself but why?

I live by the following

*When a lawyer and expert of the law asked Jesus what the most important commandment is, Jesus responded, "To love the Lord your God with all your heart, with all your soul, and with all your mind...The second is to love your neighbor as yourself." All the Law and the Prophets hang on these two commandments.*

*A Christmas Carol in Prose; Being a Ghost Story of Christmas by Charles Dickens  
Jacob Marley "Mankind was my business. The common welfare was my business; charity, mercy, forbearance, and benevolence, were, all, my business. The dealings of my trade were but a drop of water in the comprehensive ocean of my business!"*

An Epic Constitutional Crisis. I am talking about the political destruction of all three branches (Executive, Judicial and Legislative) of our Federal Government. One hundred and fifty five million Americans and Canadians may be infected with The Katrina Virus. Did the United States Supreme Court participate in the criminal cover-up? Misprision is a crime/felony. In simple terms it means that you had knowledge of a crime and did nothing. Did the Supreme Court have knowledge? YES! I gave them the knowledge. The real question is: what did the Supreme Court do with the knowledge of The Katrina Virus and the cover-up?

There was no simple way to present this story. I fully acknowledge that the material is presented in an incoherent manner. What you are reading is a compilation of my communications with the Supreme Court since my arrest for cyberstalking FBI Special Agent Steven Rayes on March 15<sup>th</sup>, 2011. It must be emphasized that I was arrested on a Louisiana Warrant (not a Federal Warrant as one would expect.) and I have never been charged with a crime. A Louisiana Search and Seizure Warrant was used by the FBI to steal my evidence, documentation, etc. of what happened in New Orleans after Hurricane Katrina. In simplistic terms chemical warfare contaminates were released from DOD and CIA classified facilities. The United States Military conducted operational missions in violation of Federal Law and killed Americans. 1500 Americans are still missing. Were the contaminated bodies recovered, analyzed and burned in Federal Government incinerators? Are some of the bodies being kept alive in vegetative states so that the Federal Government can study the long term effects of the Katrina Virus? (Remember the Syphilis Studies in Alabama and Guatemala.)

This is a Prelude/Reference Book/Appendix. The end of the story has not been written. Judgment must not be passed upon the Supreme Court at this time. The Supreme Court may have actually protected me. Think about it. Who could the Supreme Court have turned to? Congress and the Executive Branch are responsible for the murder, genocide, treason and crimes against humanity. The only option for the Supreme Court may have been to provide me with the protection needed, to not only uncover the truth about the Katrina Virus, but to bring it to the attention of American and Canadian people.

Twelfth Amicus – The 2016 Presidential Election was tampered with by Trump and the Russians - God will not leave me alone.

This morning God pointed out to me that my cousin, Vice Admiral John Christenson – Military Representative to NATO, was involved in the unmasking of Lieutenant General Mike Flynn. John and I have not spoken in years because I think he is a treasonous coward.

Senator Chuck Grassley really screwed me. He is from my home state of Iowa and I was the reason he left the Judiciary Committee.

Document: 33 The Director of National Intelligence knew on election day, November 8<sup>th</sup> 2016, that Trump and Russian tampered with the Election. General Nakasone's letter starts with November 8<sup>th</sup> 2016 but no one requested until November 30<sup>th</sup>, 2016. Almost everyone requested starting on December 14<sup>th</sup>, 2016 so what the hell happened? UN Ambassador Samantha Power made two requests on December 14<sup>th</sup>, 2016.

What did Flynn do? Why did Judge Sullivan asked Mueller's team if they had considered charging Flynn with "Treason"?

My God. Flynn thanked Russia for Trump being elected.

My attachments are all docketed. They are incoherent and disjointed, sorry.

(S//NF) Below is a list of recipients who may have received Lt. Gen Flynn's identity in response to a request processed between 8 November 2016 and 31 January 2017 to unmask an identity that had been generically referred to in an NSA foreign intelligence report. Each individual was an authorized recipient of the original report and the unmasking was approved through NSA's standard process, which includes a review of the justification for the request. Only certain personnel are authorized to submit unmasking requests into the NSA system. In this case, 16 authorized individuals requested unmaskings for █ different NSA intelligence reports for select identified principals. Every Presidential Election in my lifetime (b. 1958) has been tampered with by Americans, but 2016 and 2020 were and are different. Every Presidential election in my lifetime has been tampered with by the Russians. All the criminals – politicians, judges, journalists, etc. – are upset at how far over the line Trump went. Trump teamed up with the Russians to tamper with the elections. Why not? You had Americans tampering with the elections and you had the Russians tampering with the elections, why not have the Americans and Russians team up to tamper with the elections?

The CIA/NSA criminally/illegally/inadvertently acquired ill-gotten evidence (poisoned fruit from a poisoned tree) that Presidential Candidate Trump and President Trump was and is tampering with the elections. This was different in that Trump was conspiring with other Foreign Powers. Everybody – Executive, Judicial, Legislative branches and the media ended up knowing. Everyone was in possession of stolen property and thus guilty of multiple crimes. The CIA/NSA notified the DOJ/FBI with multiple caveats. You see the problem/dilemma, right? Our government is criminally/illegally/inadvertently spying on a Presidential Candidate and a President that committed major criminal acts including tampering with Presidential Elections. The conspiracy involved Foreign Powers, one of which that has an adversarial relationship with the US. (You can't indict a sitting President, right? If Trump had lost, he would have been indicted.) (If Trump is impeached will he be indicted?)

This is the perfect intersection for all the evils to come together and destroy themselves. Trump, Roberts, Pelosi, McCarthy, McConnell, Schumer, the other Demigods will ensure that the truth comes out. *"An Epic Constitutional Crisis. I am talking about the political destruction of all three branches (Executive, Judicial and Legislative) of our Federal Government."*

All the criminal activity by all of you criminals had the opposite effect and got criminal Trump elected.

The first caveat is that the DOJ/FBI has to acquire the ill-gotten evidence through legal sources and avenues. The first step was to get multiple warrants from the FISA/FISCR courts. This criminally activity

implicated the FISA/FISCR courts in the conspiracy hence the order to fix the application process. The warrants should have never been given nor applied for. No one would ever question the warrants, right? Wrong, someone did. The applications were defective and the DOJ/FBI knew that they were and so did the courts. There are more defective applications and defective warrants that have not been made public.

This part is really condensed. The DOJ/FBI made the decision to notify Congress and the Media just as the CIA/NSA had done with them. This may have been done with good intentions but nonetheless it was done by criminals in possession of ill-gotten property. (Every rat will protect himself.)

The Octagon Death Match (Impeachment) – Republicans versus Democrats, Congress versus the Executive Branch, etc. – The Media is trying to make as much money as they can and to protect their criminal activity - and the losers are the American People and Mankind.

- There would be no Impeachment and no Octagon Death Match if the Judiciary had honored the Constitution and done their job.

### **Federal Whistleblowers – all military - Snowden, Manning, Winner and Christenson all served their country with distinction.**

Please review Christenson v. Democratic National Committee (1:18-cv-05769) District Court, S.D. New York if you want to see injustice. Review what is publicly docketed. Most of my pleadings were not publicly docketed in accordance with the Constitution. This case represents the true evil that is so pervasive in the Federal Judiciary. The really strange part of the case is that the Judge had remorse and continue to docket my pleadings after she dismissed the complaint. v.  
David Andrew Christenson,  
Appellant

Notice 67 – Every Judge is just as crazy and delusional as Trump and just as much a criminal.

Is the following true?

In 2016 did the CIA and the FBI know that Trump was crazy, delusional and a criminal? Yes.

In 2016 did the CIA and the FBI know that Trump was conspiring with the Russians to secure his Presidential Election Victory? Yes. (They also knew that Clinton was crazy, delusional and a criminal but just not as bad as Trump. The least of two evils.)

The CIA could not disclose the truth about Trump and the Russians without breaking the law and disclosing highly classified information. National Security was too important. The FBI tried. (This is why no one in the DOJ/FBI will be charged with a crime. It is also why McCabe and Strzok have been so brazen in filing civil complaints against the DOJ/FBI. It is why Comey thinks he deserves an apology.)

The extraction of the CIA Agent from Russia is amazing. (The truth will come out.)

The following is true.

The courts have protected the criminal conduct of our Government with the conclusion being the Genocide of Mankind.

Trump, math, time, the other Demigods, etc. will ensure that the truth comes out. That truth will incriminate the Federal Judiciary in the Genocide of Mankind.

The CIA and the FBI knew that Trump would disclose highly sensitive classified information for his own good and protection.

**THE PARADOX AND WHY I AM HERE****BLACKMAIL AND EXTORTION WITH AMERICANS AND MANKIND PAYING THE PRICE****YOUR ARE THE PERFECT SUNARCISSIST, YOU HAVE CHOSEN SUICIDE OVER HONOR**

All of you, all three branches of our government, participated in the coverup of the negligent release of the Katrina Virus and the murdering of Americans by the US Military during Hurricane Katrina. You covered up the Genocide of Mankind.

You, the criminals, are making a case that you can only be so much of a criminal and that in most cases you're being a criminal is for the greater good. The problem is Trump. He turned being a criminal into becoming the President and you helped. You reap what you sow.

**IN ORDER TO STOP TRUMP, YOU WILL HAVE TO KILL HIM OR ADMIT THAT YOU ARE RESPONSIBLE FOR THE GENOCIDE OF MANKIND – THAT IS THE PARADOX**

- What happened to the Judiciary was insidious. It has happened to every civilization. It is why every civilization has failed.

## GOD IS GIVING YOU A CHANCE TO SERVE YOUR PENANCE HERE ON EARTH JUST LIKE ME.

Attachment 1: Notice 65 — “Nuke the Hurricanes” by President Donald Trump page 1 only

Food for thought. Did our government turn Hurricane Dorian? Trump stated it was going to Alabama and has not backed down. Why? We know he is protecting and benefiting himself but why?

I live by the following

*When a lawyer and expert of the law asked Jesus what the most important commandment is, Jesus responded, "To love the Lord your God with all your heart, with all your soul, and with all your mind...The second is to love your neighbor as yourself." All the Law and the Prophets hang on these two commandments.*

*A Christmas Carol in Prose; Being a Ghost Story of Christmas by Charles Dickens  
Jacob Marley "Mankind was my business. The common welfare was my business; charity, mercy, forbearance, and benevolence, were, all, my business. The dealings of my trade were but a drop of water in the comprehensive ocean of my business!"*

v.

David Andrew Christenson,  
Appellant

Notice 65 – “Nuke the Hurricanes” by President Donald Trump

Read Attachment 1 before going further: **“THE SCARLETT EFFECT”**.

This is how you change the narrative and make people think.

**TRUE OR FALSE - THE UNITED STATES HAS OR IS WORKING ON A WEAPON TO  
ALTER THE WEATHER AND COOL THE EARTH.**

**PRECEDENT WAS WHEN WE DEVELOPED THE NUCLEAR BOMB. OUR SCIENTISTS  
WERE NOT 100% SURE WHAT WOULD HAPPEN. OUR MILITARY WAS NOT 100%  
SURE WHAT WOULD HAPPEN WHEN THE NUCLEAR BOMBS WERE DROPPED ON  
JAPAN.**

**IN SIMPLE TERMS: THERE ARE THOSE THAT BELIEVE THE WEAPON WILL WORK  
AND THOSE THAT BELIEVE THE WEAPON WILL NOT WORK.**

**THE PROBLEM IS THAT THOSE PEOPLE MAKING THE DECISION FOR MANKIND  
ARE TRUMP AND THE REST OF THE DEMIGODS.**

**CHANGE THE NARRATIVE. STOP THE CENSORSHIP. UPHOLD THE FIRST  
AMENDMENT.**

An Epic Constitutional Crisis. I am talking about the political destruction of all three branches (Executive, Judicial and Legislative) of our Federal Government. One hundred and fifty five million Americans and Canadians may be infected with The Katrina Virus. Did the United States Supreme Court participate in the criminal cover-up? Misprision is a crime/felony. In simple terms it means that you had knowledge of a crime and did nothing. Did the Supreme Court have knowledge? YES! I gave them the knowledge. The real question is: what did the Supreme Court do with the knowledge of The Katrina Virus and the cover-up?

There was no simple way to present this story. I fully acknowledge that the material is presented in an incoherent manner. What you are reading is a compilation of my communications with the Supreme Court since my arrest for cyberstalking FBI Special Agent Steven Rayes on March 15<sup>th</sup>, 2011. It must be emphasized that I was arrested on a Louisiana Warrant (not a Federal Warrant as one would expect.) and I have never been charged with a crime. A Louisiana Search and Seizure Warrant was used by the FBI to steal my evidence, documentation, etc. of what happened in New Orleans after Hurricane Katrina. In simplistic terms chemical warfare contaminates were released from DOD and CIA classified facilities. The United States Military conducted operational missions in violation of Federal Law and killed Americans. 1500 Americans are still missing. Were the contaminated bodies recovered, analyzed and burned in Federal Government incinerators? Are some of the bodies being kept alive in vegetative states so that the Federal Government can study the long term effects of the Katrina Virus? (Remember the Syphilis Studies in Alabama and Guatemala.)

This is a Prelude/Reference Book/Appendix. The end of the story has not been written. Judgment must not be passed upon the Supreme Court at this time. The Supreme Court may have actually protected me. Think about it. Who could the Supreme Court have turned to? Congress and the Executive Branch are responsible for the murder, genocide, treason and crimes against humanity. The only option for the Supreme Court may have been to provide me with the protection needed, to not only uncover the truth about the Katrina Virus, but to bring it to the attention of American and Canadian people.

Reference: United States v. Stone (1:19-cr-00018) District Court, District of Columbia Judge A. Jackson  
Federal Court - 333 Constitution Ave. N.W. - Washington D.C. 20001

Attached is the docket for June 2020 in the Stone case. #380 is my Twelfth Amicus Brief. Why would Judge Jackson put it in the docket and then deny it? Read the docket entries completely. The docket entries apply in reverse to Reality Winner. The 11<sup>th</sup> Circuit should order responses as to why Reality Winner is being held when others have been released. Trump's friends: Cohen and Manafort have both been released.

I am a friend of the court. Ask Judge Jackson about me. She learns from my pleadings. Her problem is that this case is criminal and there is no avenue for me to be heard. You court can allow me to be heard.

Stone is one of the most reprehensible people in politics and has been since Nixon, who he was friends with and an advisor. The DOJ allows him to stay out of jail but keeps Reality Winner in jail. The greatest ethical, political, and legal transgression of my lifetime was when Ford pardoned Nixon.

The DOJ is discriminating against Reality Winner. Keeping her in prison is prejudicial and arbitrary.

DON'T ALLOW THE DOJ TO HARM AN AMERICAN HERO, PLEASE.

I BEG YOU TO RELEASE HER.

Clerk Smith,

General Mike Flynn walks free and Reality Winner rots in jail. Reality Winner is a hero and General Mike Flynn is a traitor.

It is critical that the Twelfth (12) Amicus be docketed. I mailed you the original on June 4<sup>th</sup>, 2020. You docketed Amicus Briefs 8, 9, 10, 11, 14, 15 and 16 in 4 docket entries but no 12. (There was no 13.)

Twelfth Amicus – The 2016 Presidential Election was tampered with by Trump and the Russians - God will not leave me alone.

I put the documents together under a pleading titled: Emergency Motion for Leave to File
